Dear Sir,

This is to inform you of your successful completion of the requirements for the "Superior Tanker Shuttle" accreditation. Your Fire Department performed very well in the required tests which reflected the training and effort that your personnel put into this effort.

As a result, the rural area of Prince Edward County will be receiving the "Superior Tanker Shuttle" designation in the rural area within 8 kilometres by road of the following fire stations for residential properties and 5 kilometres for commercial properties: Ameiliasburg, Bloomfield, Carrying Place, Consecon, Demorestville, Picton, Prince Edward Heights, Rossmore and Wellington.

Official notification will be given to the Insurance Companies in our next release in October 2004. This letter can be taken as you evidence of the accreditation until then.

Yours truly

Michael McKenna
Manager- FUS and Municipal Services
