**H.J. McFarland Home Celebrates
Another Health & Safety Milestone**

Picton, ON - For the second year in a row, employees of the H.J. McFarland Home have had no lost-time injuries. Mayor Leo P. Finnegan met with McFarland Home employees on November 27, 2008 to congratulate them on their safe work practices and this significant achievement.

"Health and safety in the workplace is a top priority for this Council and we are very proud of the McFarland Home employees," said Mayor Leo P. Finnegan. "They work in a challenging environment and clearly demonstrate best practices in the health care field."

Employees and members of the Joint Health and Safety Committee demonstrate their commitment to health and safety by having regular safety meetings and training and, most importantly, responding to employee's health and safety concerns.

The County wishes to remind its employees to stay focused on health and safety at work, at home and on the road. "Don't Learn Safety by Accident."
