

# COUNTY WATER AND WASTEWATER RATES AND CONNECTION CHARGES TO RISE

Water and Wastewater **rates** must rise to:

- Continue to provide safe water and wastewater services
- Ensure fairness to all current and new users
- Comply with provincial law
- Equalize rates across 7 water systems and 2 wastewater systems

Water and Wastewater **connection charges** (for new connections only) must be adequate to:

- Ensure that new users pay the costs of system expansions necessary for growth

**Recommended connection charges** are:  
**water \$8,720. and wastewater \$5,863.**

**Current connection charges** are:

System	Water	Wastewater
Carrying Place/Consecon	\$5,350	n/a
Rossmore/Fenwood	\$4,029	n/a
Ameliasburg (Kente extension area)	\$8,323	n/a
Bloomfield	\$3,385	n/a
Wellington	* 0	\$1,500
Picton	* 0	\$1,500
Picton/Hallowell (Upper Lake Street extension area)	\$6,450	\$1,500
* \$3,385 effective November 27, 2009		

**Current rates** and **interim rates effective 2010** and their impacts on sample billings are shown on the reverse of this sheet. Council will pass the by-law to impose 2010 Interim rates at the December 15, 2009 Council meeting. This meeting is open to the public.

Council has set up a committee comprised of Councillors, users and developers to develop long term, sustainable rates and connection charges that are balanced and equitable to all.
