**NOTICE OF A PUBLIC INFORMATION CENTRE  
New Picton Wastewater Treatment Plant**

**Monday May11, 2009 4:00 pm – 7:30 pm**

**Crystal Palace - 375 Main St, Picton – Fairgrounds**

The Public Works Department in conjunction with our contractor will hold a drop-in public information centre for the review and update of the plans for the Picton Wastewater Treatment Plant.

We will have sets of plans on site for review with staff and constructors who will be able to discuss the plant and schedule for construction.

We will provide a handout at the meeting to provide information on the events and undertakings since the initial tender in March 2008 to today.

Please stop in and join us. If you are unable to attend please call for information and we can forward the handout.
