

**PUBLIC NOTICE  
WATER & WASTEWATER RATES**

The Council of the County of Prince Edward proposes to pass a by-law at the Council meeting to be held on December 15, 2009, at 7:30 p.m. in Shire Hall, to establish interim rates for water and wastewater service customers.

These interim rates, effective January 1, 2010 will be a first step in moving towards a uniform County-wide rate for all users. Council has established a committee comprised of Councillors, users and developers to develop long term, sustainable rates and connection charges that are balanced and equitable to all.

Details of the rate changes will be mailed to all users and can be accessed on the County website at [www.pecounty.on.ca](http://www.pecounty.on.ca).
