

**Notice of Public Meeting & Study Commencement  
Municipal Class Environmental Assessment  
Removal/Replacement Scott's Mill Bridge  
Sept 14, 2009 from 5 – 7 pm – Milford Town Hall**

The County of Prince Edward County is undertaking a Municipal Class Environment Assessment under the Environmental Assessment Act (Schedule B) for the removal or replacement of Scott's Mill Bridge.

Scott's Mill Bridge is located on Crowe's Road at the west end of Milford pond, in the Hamlet of Milford. The existing structure is in very poor condition and cannot be repaired economically. The County is considering various alternatives ranging from closing and removing the structure to replacing it with a new single lane bridge.

Interested persons can provide written comment to the County on the proposal within 30 calendar days from the date of this Notice. Comments should be directed to the parties listed below. County staff and consultants will be available for questions/comments at a Public Information Centre at the Milford Town Hall on September 14th from 5pm to 7pm.

If concerns arise regarding this project, which cannot be resolved at this review phase, a person or party may request that the Minister of the Environment make an order for the project to comply with Part II of the Environment Assessment Act (referred to as a Part II Order), which addresses individual environment assessments. Requests must be received by the Minister at the address below within 30 calendar days of this Notice.

**Minister of the Environment  
135 St. Clair Avenue, 10th Floor  
Toronto, ON M4V 1P5**

A copy of a Part II request must also be sent to the individuals listed below. If there is no request received by October 23rd, 2009, the project will proceed to design and construction.
