

**YOU ARE INVITED TO A
COMMUNITY WORKSHOP
FOR PICTON-HALLOWELL**

County Council needs your participation in an important planning initiative called the Picton-Hallowell Secondary Plan. When approved, this long-term plan will help shape the future of the Picton-Hallowell urban area.

The purpose of the workshop is to understand what community members like about the area, and what people would like to see changed. It will begin with a presentation by the project consultants, IBI Group. Afterward, everyone will have the opportunity to express concerns and share ideas about the kind of place the urban area will become over the next 20 years.

This discussion will help create a vision for the new Picton-Hallowell Plan, so please get involved!

DATE: Tuesday, June 29, 2010

TIME: 7:00 p.m. – 9:00 p.m.

LOCATION: Prince Edward Collegiate Institute
café, 41 Barker Street, Picton
